138T PANEL

138T Panel Tables and Section Properties

For any available Testing Data, Section Properties, or Load Tables, please visit www.mcelroymetal.com. For additional information, please contact the **McElroy Engineering Department** at 1-800-950-9082.

Details:

- Mechanically seamed
- Minimum slope 2:12
- Must be installed over solid deck
- Oil canning is a natural occurrence in metal panels and is not cause for panel rejection

Notes:

- Customers can rent mechanical seaming equipment directly from Developmenta Industries (DI). DI is the only McElroy approved seam supplier.
- Contents in this manual are subject to change without notice. To confirm this book is the most current copy, please visit McElroy's website at www.mcelroymetal.com.
